Prayer of Confession by: Ruby O/Mrs Scicluna

Dear Lord
Sometimes it is hard to keep faith with you, particularly when life gets difficult. Help us to admit when we are struggling or when we make mistakes or bad decisions. We must remember that, like the missing sheep, God will always welcome us back with love and forgiveness if we ask him to. Help us to turn our thoughts to you when life is tough and trust in the words of Jesus through his parables.

Amen
