The Power of Prayer

Dear God

We believe that prayer can help us to believe in ourselves; help us to control our fears; give us hope; and build stronger relationships. Help us to be loving and caring people and use our growth mindset in everything we do.

Amen.

A Prayer For Courage

Dear God

You give us courage to be brave in all things we do. Help us to not follow bad advice and follow Jesus's lessons to become brave and confident all our lives.

We must trust in other people AND ourselves and understand how praying to you can help us.

Amen
