

Pupil Acceptable Use of Technology KS1

Our Technology Rules

I will follow these rules to use computers, tablets and the internet to keep me safe and happy online.

Staying Safe

1. I know trusted adults and friends are not people I have met online.
2. Trusted adults in school will watch what I do on computers, tablets and the internet to help keep me safe.
3. I will not tell others my passwords and I will not use anyone else's passwords.
4. I understand that people online are not always who they say they are. I will only talk to people online if I know them in real life or if my teacher or a trusted adult says it's OK.
5. I will not share my name, address, school name or pictures of me without asking a trusted adult first because this is my personal information.
6. If I see something that makes me feel worried or upset, I will tell my teacher or a trusted adult straight away.
7. I will only use apps, games or websites my teacher says are safe.

Using Technology Kindly

8. I will be kind when using technology, just like I am in real life.
9. I will take care of the computers and devices I use.
10. I will only look at things my teacher says are OK.

Making Good Choices

11. I only click on online links and buttons when I know what they do. If I am not sure, I will ask an adult first.
12. I will ask my teacher before I use someone else's pictures or work.
13. I will take breaks from screens and do other fun things too.
14. I know that I can say, 'No,' or 'Please stop,' to anyone online who tells me what to do, makes me feel sad, uncomfortable, embarrassed or upset and will tell a trusted adult.
15. I will ask for help from a trusted adult if I am not sure what to do or if I think I may have done something wrong.
16. I always tell a trusted adult if something online makes me feel upset, unhappy, or worried.
17. I know I can press Hector the Dolphin on my screen, or I can close or lock the screen if something comes up that I don't like.

What Happens If I Forget the Rules

18. If I forget the rules, my teacher will help me learn to make better choices next time.
19. I might get a Warning Card or a Consequence Card.

These rules help us all stay safe and have fun using computers, tablets and devices at school!
