We are nearly at the end of our small but mighty (and rainy) Term 5 and as always, we have been very impressed with the children and their approach to learning and the work in school.

This week our Year 6 pupils completed their SATs exams and spent the day at Dartford park as an end of week treat. While these tests will give us some academic results, we know that our children hold so many other qualities that are not measured with exams. Well done Year 6, you continue to make us very proud of each and every one of you.

As we are fast approaching the final term for this academic year, ***please check newsletters and ParentMails regularly for upcoming end of year events.***

Warm regards,
Mrs Wall

Collective Worship

This week in collective worship the children having been learning about Humility and its importance. Children discussed what humility means to them and how they can practise this in their everyday lives.

Zones of Regulation

This week a ParentMail was sent with information regarding Zones of Regulation and how this is used to support children in school, giving parents ideas to use and support this at home. We strongly believe this will help to support many children so please do take a look. This has also been added to our website, please see link below: [Zones-of-Regulation](#)

Toys

We would like to remind parents that toys are not allowed in school. Lots of children have been bringing squishy toys into school which are being lost or swapped. **Please ensure children do not bring toys into school.** Thank you for your support.

Reading/Phonics Books

Please could parents bring any school reading/phonics books that have been read at home back to school once finished to ensure all children have a variety of books to choose from. Thank you.

Relationship, Sex and Health Education

We would like to remind parents that RSHE lessons will start next term, please read the ParentMail sent earlier this week for all the information.

LEGO Club – Autumn Term

Our school council have requested that children would like to see a LEGO club for the autumn club offer. We would like to put this club in place for

children to enjoy. However, we will need LEGO donations. If you have any LEGO at home that is no longer used and you would be willing to donate, please hand to the front office. Thank you in advance.
