The weather has certainly taken a colder turn this week and we would like to remind parents that children will be outside during lunch times so please ensure they have their coats, hats, scarves and gloves (with names written in).

It has been an exciting week in school. Year 3 enjoyed a trip to the Natural History Museum, which supports their learning this term and Year 2 enjoyed the Wondersome workshop to bring learning to life on the Moon Landing.

We are getting ready for the Christmas period which is fast approaching and would like to remind parents of our **Christmas Colour Raffle**. All donations are greatly received, the raffle will be drawn at the **Christmas Fair on Monday 1st December**.

We look forward to welcoming you all into school next week for parents' evening.

Warm regards
Mrs Wall

Year 3 Trip to Natural History Museum

On Thursday the Year 3 children enjoyed a trip to the Natural History Museum. They attended an exciting workshop where they investigated geological forces from deep within the Earth using interactive demonstrations. This show highlighted the awesome power of our planet's natural forces and demonstrated the importance and challenge of natural disaster prediction. The children took lots of learning from the day and all behaved brilliantly and represented our school wonderfully.

Year 2 Wonderdome Workshop

On Thursday Year 2 enjoyed an immersive 3D Wonderdome experience in the school hall. The Wonderdome was certainly a huge hit with the children who were all amazed by the 3D space world. They learnt lots of new information about their topic of the moon landing along with some amazing facts about planets and space.

Weather

The cold and frosty weather has begun. Please ensure children are dressed appropriately. We do insist on coats being worn outside

during lunch and break, any children seen to be without one will be sent back in to get it.
